# FUNDING AND SUPPORT

**Screen Scotland supports projects that reflect Scotland's rich culture, creativity and diversity – and which deliver direct economic benefits by utilising and promoting our talent, crews, locations and facilities.**

## OUR FUNDING CAN SUPPORT:

Producers based outside Scotland who are developing and producing feature film and TV projects with writing and/or directing talent **based in Scotland**.

**Scotland-based producers** working in live-action, animation, documentary film and broadcast content, to create feature films and TV projects.

## UK TAX INCENTIVES:

Scotland benefits from UK film tax incentives and co-production treaties. For more information, visit the **British Film Commission**.

## AVAILABLE FUNDING STREAMS:

### Film Development and Production Fund

Funding for feature film and documentary co-productions involving Scotland-based writing, producing or directing talent.

### Production Growth Fund & Project Post Fund

Funding that aims to draw large-scale film and TV productions into Scotland that will deliver direct economic benefit for the screen production sector, by creating jobs and using talent, crew, facilities and locations.

### Broadcast Content Fund

Funding for broadcast co-productions with Scotland-based production companies that will grow Scotland's broadcast production sector, reflect Scotland's culture, creativity and diversity and offer opportunities to underrepresented talent.

### Recce Fund

Funding and practical support for location scouting and budget conversions for productions considering filming in Scotland.

# California Schemin'

**DRAMA | RELEASE: 2026 | UK**

**In the late 90s, Gavin Bain and Billy Boyd had their musical ambitions consistently ridiculed for having the 'wrong' accents, so they went for broke and reinvented themselves as Californian rappers.**

*California Schemin'* shows how the duo re-recorded their own tracks with fake accents and turned up in London claiming to be an established duo on the California scene as well as childhood friends with Eminem. They quickly bagged themselves a record deal, a hefty sum in advances, and an appearance on MTV, until it all came crashing down.

# The Young Team

## DRAMA | RELEASE: PRE-PRODUCTION | UK

15-year-old Azzy Williams and his pals roam the streets of Airdrie on a Friday night, bottles of Buckfast in hand and techno playing from tinny speakers. Azzy is ready. Ready to smoke, pop pills, drink wine and fight. He longs to become fully initiated into local gang the Young Team Posse (YTP). But when Azzy, determined to prove himself, makes a bold move, a brutal gang conflict ensues with Azzy very firmly at its heart.

The Young Team will follow Azzy on his journey from boyhood to manhood as he and his mates become postcode warriors in a toxic cycle that threatens to consume them. An unflinching look at the realities of addiction and gang violence, this ambitious series will tell a powerful, visceral story about the realities of life for young, disenfranchised people, and the fight for a different future.

## COMEDY THRILLER | RELEASE: PRE-PRODUCTION | UK

Following the death of her beloved grandson Michael, widowed Glaswegian Thana becomes the target of a violent local gang, who Michael apparently crossed. Thana finds salvation in the form of Connor, a volatile friend of Michael's with serious anger issues. Grams will see Thana and Connor form an unlikely partnership, as they seek the truth of what really happened to Michael.
